Sabina: Tortured for Christ, the Nazi Years (2021, PG-13)

Teens & Adults | Worship Center

Great character is sometimes forged amid great turmoil.

Sabina: Tortured for Christ, the Nazi Years is the story of how God's love transformed an ambitious, worldly atheist into one of the greatest Christian women of the 20th century. The film opens with Sabina Wurmbrand risking her life to show Christ's love to three Nazi soldiers. Why would a Christian from a Jewish background risk her life to help her enemies — members of the army that killed her entire family? Experience a true story of biblical love and forgiveness that has inspired millions around the world.
