what's next

FALL

Old Testament, Part 1

God and the Bible

Suffering

Politics and Polarization

Singleness and the Church

CORE COURSE

Café

Join us in September for our Core Course with Pastor Kit! This **three-month course** takes place three times a year – in the spring (April-June), fall (September-November), and winter (January-March). Whether you're new, interested in becoming a member, or have been around for a long time but want a refresh on everything East Bay is about, come join us!

what is equip 2.0?

Equip 2.0 courses are an intentional set of classes designed to ground the believer in the Christian life. Courses cover a wide range of topics – from basic Bible knowledge to deeper theology, from prayer to interacting with those who believe differently than you. Our desire is that each course will empower you to love God, love others, and make Jesus known.

when?

Sundays from 9 am – 10 am.

where?

Various classrooms throughout the building, most of which are located on the lower level.

who?

Our usual kids and teen courses will be available (including nursery), in addition to the new adult (and teen!) courses listed in this brochure.

how does it work?

We create our courses with intention, the subjects and learning goals taken from our six core values:

Establish *believers in the faith*
Exalt *our Savior*
Empower *lives through prayer*
Extend *hope*
Engage *in grace-filled community*
Equip *believers for ministry (for more on these, visit eastbaycalvary.org/beliefs).*

Check out the self-guided Course Map handout to learn more about how we categorize courses and how you can set personal goals for learning!

July - August 2026 course descriptions

Beginning Guitar for Worship

Room 201

Ready for your first steps in playing worship songs on your guitar? Ready to re-learn those chords you knew a long time ago? Ken Bell, aided by Brooke Bogan, will help you use your guitar as an instrument of praise!

Marriage

Café

Pastor Reist, Yeng Vang, and their wives will look at God's meaning and purposes behind marriage, rooted in God's Word. Whether you're unmarried, considering marriage, getting married, newly married, or could use a marriage tune-up after a while, God's plan for marriage reveals His character and His plan for His people – and re-centers marriage in Him.

Philippians

Room 113A

This classic letter in the New Testament is a quotable favorite of many, especially for its encouraging nature and its laser-focus on the greatness of Christ Jesus.

Apologetics

Room 113C

No apologies here: Sam Kitchin will lead this course giving reasons for Christian faith and answering challenges to it. If you know people who are resisting belief in Jesus because they doubt God's existence, or wonder why there's evil in the world or how we can claim there's only one way to heaven, or other topics like these, jump on into this summer course!

equip2.0

July - August 2026
